

Environmental Policy

M.Barnwell Services Ltd recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, with regular review points.

We have undertaken to help every Barnwell employee to understand and to implement the relevant aspects of our environmental policy in their day-to-day works through the regular communication of objectives, action plans and achievements. At Board level, the Chairman has specific responsibility for policy development, coordination and evaluation of performance.

Policy Aims

We endeavour to:

1. Meet, and where appropriate, exceed the requirements of all relevant legislation.
2. Promote recycling and the use of recycled materials.
3. Minimise waste in all of our operations.
4. Communicate our intention to promote environmental good practice.
5. Include environmental issues in our training programmes and encourage sound environmental practices.
6. Monitor our environmental performance on a regular basis.
7. Prevent Pollution.
8. Continually improve the EMS by setting and meeting targets and objectives.
